We operate store collections from 10.00am to 4.00pm. The car parks need to be covered from 8.00am. As you can see we have a very active campaign planned but we really need your help to make it work. All store collections can be made inside the stores and seated if preferred. The car parks are also seated if preferred. The street collections will be sited to avoid inclement weather. Please indicate the time segments you are prepared to cover.

Thank you for your help
